## PRECEPT 2016/2017

February 2016

Thank you for taking the time to read this leaflet. It provides a summary of the estimated income/expenditure for Blaby Parish Council in the forthcoming financial year. We also hope it will explain the wide range of services that we provide to our community.

Blaby Parish Council receives no funding from other local authorities or central government and relies almost entirely on precepts paid by our parishioners and funding grants. Following on from our community wide consultation in 2013, we have ambitious plans to refurbish our changing rooms on Oakfield Park. Currently the facilities are so dilapidated that none of our football teams are able to use them. The new facilities will make football more accessible to adults, children, women and those with disabilities. Our eco building aims to sit well within the surroundings of the park and we hope to install a living roof to encourage biodiversity and energy saving.
